

OMS 1 and 2 Student Request for a Planned Excused Absence

OMS 1 and 2 Student Request for a Planned Excused Absence

Part C - Physician Use Only (to be completed for medical absence and reviewed by the Campus Dean):

To the Physician: A student of The Edward Via College of Osteopathic Medicine (VCOM) is making a request for a planned excused absence for a medical procedure or condition that was planned and known a minimum of 30 days prior to the absence. VCOM requires documentation from the treating physician in support of the request for an excused absence and the College reserves the right to ask for additional documentation. It is the student who is making this request, and is to authorize you to provide medical information.
